YOUR JOB TITLE:	Race Timer and/or Assistant
NATURE OF BUSINESS:	Sports event services
Job Description	
Race Timer and/or Assistant – Earn up to £250 at weekends	
<p>raceahead are the leading sports services company in the UK. raceahead are a motivated team of individuals providing market leading services to mass participation events. Our timing technology and experienced staff enable event organisers to put on top class events. In 2007 we timed the UK's leading events, covering the whole of the UK from Cornwall to Inverness. Isle of Man to Kent.</p> <p>We are currently looking for weekend staff to assist with the timing of mass participation sports events in the UK; Running Races, Triathlons, Cycling events, etc. Events occur most weekends, and we require a commitment of at least 10 in a year. The events are usually on a Sunday although some require an overnight stay prior to the event. We pay a standard rate for a 1 day event and an additional sum if an overnight stay is required. Full training is given and all expenses are covered, transport, accommodation, subsistence etc</p> <p>For both timers and assistants we require you to be professional in your manner, work well with customers, have an interest in sport, live within Bath or surrounding areas, ideally be over 25 and thrive on a challenge.</p>
